To Whom It May Concern:

Chrysalis is an Arizona non-profit organization whose mission is to transform lives affected by domestic abuse through safety, support and education. Chrysalis provides a wide range of services to help the victims of abuse, and to help stop the cycle of violence, including crisis shelter, counseling and advocacy, as well as offender treatment programs. In fiscal year 2006-2007 Chrysalis served over 1,400 victims of domestic abuse in Maricopa County, most of whom were women and children.

Chrysalis is pleased to be the beneficiary for the fundraising event organized by the Phoenix Chi Omega Alumnae which is to take place September 14, 2008 at Uncorked Unpretentious Wine Bar.
